

Safeguarding and Welfare Requirement: Child Protection

1.9 Whistle Blowing Policy

Policy Statement

It is our intention that staff, volunteers and students working at this Pre-school feel confident about coming forward and reporting any issues/concerns that they may have regarding the areas documented below, whilst remaining protected from any subsequent discrimination.

Aim

- Ensure staff, volunteers and students understand their responsibilities and feel confident in raising and reporting a serious concern at the earliest opportunity
- Provide avenues for staff, volunteers and students to raise concerns and receive feedback on any action taken
- Ensure that staff, volunteers and students receive a response to their concerns and that they are aware of how to pursue them if they are not satisfied
- Reassure staff, volunteers and students that they will be protected from possible reprisals or victimisation if they have made any disclosures in good faith

Any concerns can be reported without this leading to any harassment or victimisation, and every effort will be made to keep both the concern and the member of staff's identity confidential

What should be reported?

- The inappropriate treatment or care of a child
- Any breach in the behaviour of manager, staff, student or volunteer
- Discrimination of any kind
- Concerns that could impact on the health and safety of the children or adults

Procedures

- A concern can be initially raised by any staff, volunteers or students member to their line manager and child protection officer.
- Discuss the nature of the concern together with the background, history of the concern and provide the relevant dates of incidents.
- There is no expectation that staff, volunteers or students prove beyond doubt the truth of their suspicion; however they will need to demonstrate that they

are acting in good faith and there are reasonable grounds for their concern.

- All employees will be treated fairly.

Concerns will be dealt with in the following way:

- Initial enquiries will be made to decide whether an investigation is appropriate and if so what form it should take.
- The incident will be investigated by the child protection officer.
- The line manager will be kept informed.
- If appropriate it will be referred and put through established Safeguarding children procedures and may form the subject of an independent inquiry
- Within ten working days of a concern being raised, the member of staff will receive in writing:
 - Acknowledgment that the concern has been received
 - Inform the member of staff, volunteers or students concerned as to whether any further investigation will take place and if not, why not.

It may be necessary for the Pre-school to interview staff, volunteers or students to ensure that their disclosure is fully understood. Any meeting can be arranged away from the workplace, if so wished, and a representative or a friend may accompany the involved member of staff for support.

Staff will be kept informed, of the progress and outcome of any investigation to assure that any disclosure has been properly addressed unless legal reasons determine otherwise

Confidentiality – will be maintained and every effort will be made not to reveal a member of staff's identity if they so wish. If however a member of staff, volunteers or students makes an allegation frivolously maliciously or for personal gain, appropriate action, that could include disciplinary action, may be taken.

The Public Interest Disclosure Act 1998 seeks to protect employees from discrimination as a result of 'blowing the whistle' on their organisation, or individuals within it, through amendments to employment law.
